Everyone likes a bargain. And this year we have a bargain for everyone planning on buying a travel trailer . . . Five Scotty models to choose from. That's right. No matter what your need, there's a Scotty to fit you, your family, and your pocketbook.

Every Scotty trailer is built in the Serro tradition of value. A tradition gained from being the pioneer manufacturer of compact trailers. Rugged, lightweight construction means years of towing pleasure that's easy on your car, . . . easy on the gas.

SCOTTY 13' . . . perfect starter trailer for young families.

SCOTTY 14' . . . just the right size for retired couples.

SCOTTY 15' Hi-Lander . . . ideal size for the average family.

SCOTTY JS-715 . . . sleeps up to seven in just 15 feet.

SCOTTY 18' Hi-Lander . . . large in space and comfort, perfect for those who want extra room.
